

7 HABITS FOR MANAGERS

JUNE 27, 28 & 29th 2022

Madden's on Gull Lake | Only available to Roundtable Clients

The acclaimed FranklinCovey® course “The 7 Habits for Managers™” is designed to equip today’s managers with the tools needed to lead teams, overcome interpersonal and organizational challenges, manage and enhance team member performance and produce superior and lasting results.

Forum Objectives

Prior to the start of the Forum, participants engage in a 360° management effectiveness profile called The 7 Habits for Managers Forum Assessment, gaining feedback from their staff, peers and bosses. This feedback process provides valuable data to help participants measure their own leadership capacity and individual effectiveness and will be utilized throughout the forum.

During the 3-day forum, participants will be oriented to the core competencies for The 7 Habits for Managers. They’ll be equipped with powerful and practical leadership tools for:

- resolving conflict
- developing teams
- setting priorities
- building trust
- providing accountability
- combining efforts
- executing successfully
- conflict management case-study

An action plan for development and improvement will be created.

Electronic and online resources and various follow-up activities, including the opportunity to experience another leadership assessment profile to measure post-forum improvements, will support ongoing development.

Forum Fees

The fee for the 7 Habits for Managers Forum is \$3,000. The fee covers tuition, course materials, meals and lodging. Payment is invoiced and due in full prior to forum commencement. Nonprofit organizations receive a 20% discount. Individuals and small or early-stage organizations interested in attending an Anderson Center forum, with limited ability to pay, should inquire about scholarship opportunities.

7 Habits for Managers Forum participants can earn CEU and CPE credits.
